### Community Lifeline Status

### Lifelines: Impacts and Actions

Safety and Security	Current Situation
	<ul style="list-style-type: none"> <li>VSP is working with local police departments, the Department of Buildings and General Services, and a sheriff's department on traffic control and security at food distribution sites.</li> <li>Urban Search and Rescue deployed a shelter, HVAC, and three personnel to assist with a cooling station at the Rutland testing site.</li> <li>VSP continues to monitor protest activities in Vermont.</li> <li>The Division of Fire Safety is continuing to dispense hand sanitizer to emergency response agencies.</li> </ul>
Future	<ul style="list-style-type: none"> <li>As states begin to lift their restrictions, travel could become more prevalent and lead to an increased risk of virus transmission. Changes to travel restrictions announced on Friday allow for travel to Vermont without quarantine restrictions from surrounding out-of-state counties that have low incidence of active COVID-19 cases.</li> </ul>
Food, Water, Sheltering	Current Situation
	<ul style="list-style-type: none"> <li>It is estimated that over 800 perishable household sets and milk were distributed today at the Middlebury food distribution site (numbers are not final).</li> <li>The next meal distributions will take place on Thursday, June 11th, 10am-2pm in the Brattleboro area and on Friday, June 12<sup>th</sup> in the Morristown area. These will provide perishable F2F meals only, and pre-registration is required. No personal information will be collected.</li> <li>The Agency of Education is working with the Vermont Department of Health on guidance for reopening schools and a resource request for school food service programs.</li> </ul>
Future	<ul style="list-style-type: none"> <li>The Abbey Group's Farmers-to-Families contract to supply food boxes was extended through August 2020. Additional Vermont fresh produce and dairy products will be included in this next stage of the contract. A modified distribution plan will be implemented after the current large-scale direct distributions finish.</li> </ul>
Transportation	Current Situation
	<ul style="list-style-type: none"> <li>Interstate travel to and from New England and New York counties with 400 or fewer active COVID-19 cases per million is permitted without quarantine requirements. ACCD will update the <a href="#">cross state travel map</a> each week as to which counties are permitted for travel to and from without quarantine.</li> <li>AOT is staffing border crossings for the State's monitoring of traffic mobility to determine how effective mitigation measures are for reducing travel and also to give healthcare leaders a sense of future healthcare capacity needs. All vehicles (Vermont and out-of-state) are being counted; license plate numbers are not being recorded. For more info: <a href="https://vtrans.vermont.gov/vtransparency">https://vtrans.vermont.gov/vtransparency</a></li> </ul>
Future	<ul style="list-style-type: none"> <li>Effective June 15, 2020, travelers may complete quarantine requirements in their home state before entering Vermont.</li> <li>Public transportation is not running under normal operations, and it is unclear when this would return to standard conditions. As industries begin to open up the current social distancing protocols may prove to be challenging on bus routes.</li> </ul>
