Lifelines: Impacts and Actions

Safety and Security	Current Situation
	<ul style="list-style-type: none"> VSP is working with local police departments, the Department of Buildings and General Services, and a sheriff's department on traffic control and security at food distribution sites. VSP continues to monitor protest activities in Vermont. The Division of Fire Safety continues to dispense hand sanitizer to emergency response agencies.
Future	<ul style="list-style-type: none"> As states begin to lift their restrictions, travel could become more prevalent and lead to an increased risk of virus transmission. Changes to travel restrictions announced on Friday allow for travel to Vermont without quarantine restrictions from surrounding out-of-state counties that have low incidence of active COVID-19 cases. New Hampshire's Stay-At-Home order will expire on June 15th lifting restrictions on social gathering size among other directives.
Food, Water, Sheltering	Current Situation
	<ul style="list-style-type: none"> Roughly 1,200 perishable household sets of food and milk were distributed on 6/11 at the Brattleboro food distribution site. It is estimated that over 1,200 perishable household sets of food and milk were distributed on 6/12 at the Morrystown food distribution site. The next meal distribution will take place on Monday, June 15th, 10am-2pm in the Lyndon area. The distribution will consist of perishable F2F meals only, and pre-registration is required. No personal information will be collected. Rural Vermont launched a rapid response mini-grant to support farmers markets in need of financial assistance to transition to COVID-19 health and safety protocols.
Future	<ul style="list-style-type: none"> The Agency of Education is working on final production of comprehensive health guidance for school reopening in the fall, jointly developed with the Department of Health. This guidance is targeted for release early next week. The Child Development Division is researching suppliers for gloves, hand sanitizer, and cleaning materials for childcare providers for large quantity purchases. The Child Development Division and the Department of Forests, Parks, and Recreation are working to find space for child care and regulated summer programs.
Transportation	Current Situation
	<ul style="list-style-type: none"> Interstate travel to and from New England and New York counties with 400 or fewer active COVID-19 cases per million is permitted without quarantine requirements. ACCD will update the cross state travel map each week as to which counties are permitted for travel to and from without quarantine.
Future	<ul style="list-style-type: none"> Effective June 15, 2020, travelers may complete quarantine requirements in their home state before entering Vermont. Public transportation is not running under normal operations, and it is unclear when this would return to standard conditions. As industries begin to open up the current social distancing protocols may prove to be challenging on bus routes.
