# Vermont State Emergency Operations Center

## Situation Report

Phil Scott, Governor

Erica Bornemann,  
Director  
(800) 347-0488  
45 State Drive  
Waterbury, VT 05671

### *Background / Current Situation*

On April 6, 2020 the Vermont State Emergency Operations Center (SEOC) was fully activated from 0800 to 1600, using a hybrid EOC structure (physical/virtual) with limited in-person staffing at Public Safety Headquarters and State partner representatives working remotely. The SEOC will be fully activated daily until further notice.

#### **Key Updates from 4/6/20:**

- The VEM Director has submitted a Major Disaster Declaration and National Guard Title 32 Requests to the Governor's Office for review.
- New guidance has been released advising people to wear cloth face coverings in public settings.

#### **Nationwide Updates:**

- Major Disaster Declarations have been awarded in 45 states, four territories, and the District of Columbia.
- This means at least 311 million people in at least 41 states, three counties, eight cities, the District of Columbia and Puerto Rico are being urged to stay home.
- President Trump extended Federal social distancing guidelines to 4/30/20, and the CDC issued a domestic travel advisory that urges New York, New Jersey, and Connecticut residents to refrain from non-essential travel for 14 days.

#### **Ongoing Community Mitigation Measures:**

- Governor Scott issued Addendum 8 to Executive Order 01-02 on 4/3 requiring Local governments, state agencies and private non-profit organizations, to arrange for non-congregate housing for clients, vulnerable populations, first responders and healthcare workers.
  - Non-congregate housing solutions shall be arranged to provide adequate social distancing as needed.
  - A temporary quarantine and isolation program shall be implemented to provide adequate social distancing for those reasonably believed to have been exposed to or infected with COVID-19, or recovering from COVID-19
  - If needed, non-congregate temporary housing shall be provided for first responders and health care workers who are at reasonable risk of having been exposed to or are infected with COVID-19, or are recovering from COVID-19, and cannot return to their usual residence.
- Governor Scott issued Addendum 7 to Executive Order 01-02 on 3/30 requiring any person, resident or non-resident, traveling into Vermont for anything other than an essential purpose, must immediately self-quarantine for 14 days.
  - Visitors are instructed not to travel to Vermont if they are displaying symptoms or if they are traveling from cities and regions identified as COVID-19 "hot spots," including, among others, the states of Florida and Louisiana and the cities of Detroit, Chicago and New York City.
  - On-line reservations shall be suspended and lodging providers shall post a prominent notice on their web platforms which advises potential guests that reservations for lodging in Vermont, as allowed, shall be

accepted by phone only. Lodging services are only allowable in support of the COVID-19 Response for vulnerable populations or essential personnel.

- Gov. Scott issued Directive 5 pursuant to Executive Order 01-20 - Continuity of Learning Planning, on 3/26. This Directive directs schools for preK-12 students to remain dismissed for in-person instruction for the remainder of the 2019-2020 school year. Schools are required to have continuity of learning plans for remote learning implemented on or before Monday, April 13, 2020.
- Gov. Scott has issued an addendum to his executive order to ask all Vermonters to “Stay Home/Stay Safe”. The order took effect on Wednesday 3/25 at 5:00pm.
  - All business and not-for-profit entities shall suspend in-person business operations, and are encouraged to develop distance-based services.
  - Vermonters are directed to stay at home or their place of residence, leaving only for essential reasons.
  - Businesses and entities providing services or functions deemed critical to public health and safety, as well as economic and national security as set forth in the order, shall remain in operation.
  - The Vermont Agency of Commerce and Community Development (ACCD) developed a process for responding to questions regarding acceptable continuation of business operations.
  - ACCD has updated FAQs to help commercial entities, non-profits, employers to self-determine if their operations are critical to public health, safety, or economic and national security in Vermont. This FAQ can be found on the ACCD website.
  - ACCD has also developed Stay Home Stay Safe sector specific guidance for businesses. This information can also be found on the ACCD website.
- Gov. Scott issued an order for hospitals to postpone elective surgeries.
- Restaurants are still able to function, but may only provide curbside pickup or delivery service.

**Current status in Vermont, last updated by the Health Department at 1300 on 4/6/20:**

Total positive test results for COVID-19	543
Total tests for COVID-19	6,633
Deaths	23
People being monitored	68
People who have completed monitoring	745
Hospitalized patients with COVID-19	28
Hospitalized patients under investigation for COVID-19	63

These numbers are reported once daily covering a 24-period from midnight to midnight.

**4/5 Call Statistics from 211:**

- 211 received 17 calls, the majority of which were from the general public (12 calls)
- Roughly one third of calls were related to the Stay Home Stay Safe order (6 calls), and 3 calls were related to Basic Needs, a call topic which has been increasing (topics are not exclusive, i.e., some calls touch on multiple topics)
